

## How to Edit Your Personal or Team Page Content

### Things to consider:

- Personal and Team Fundraising Pages have default content when you register for an event. However, we highly recommend that you personalize your page(s) to tell your own (or your team's) story and why the event is important to you.

### STEP 1- Login to your Participant Center

**STEP 2- Click "Personal Page" or "Team Page"** depending on which page you want to edit (Remember if you are not a Team Captain, you will not see the Team Page tab.)
